

K-Love radio in Salt Lake (89.7) is the only station for the Christian community that is music based, not program based, I feel this is an important service to the community. Without K-Love I would have a choice of other stations that include lots of advertising and music I am not fond of, not to mention the lewd content of many radio programs.

I truly believe having K-Love on the air raises the bar for other radio stations to clean up their act, which is in the public interest.
